I would like to exhibit models during Origami Convention '08.

- My display will be planned to let the origami have space. I know that the plinths (paper pedestals) are wearing out and limited, so I will bring my own supports for my models.
- Each model will have a label with its title and creator. The folder's name will be on the table.
- I will plan my own display.

Exhibition reservation will be for:

- 1/2 table (30" x 36") 1/4 table (30" x 24")
 - _____ Shelves on the paper wall. Each shelf is approximately 8" x 8".
 - Floor space. Describe: _____
