## 2) Fill in this section if you want to teach or present non-models on Monday:

I would like to teach or present non-models on Monday, and have included information about what I would like to do. I've attached additional sheets if I need more room.

My topic is:

- It will be a lecture, or presentation of a paper, with minimal demonstration and no class participation.
- It will be a demonstration, where I will demonstrate my techniques, with little or no class participation.
- It will be a workshop, with hands-on participation by the students.
