I would like to exhibit models during Origami Convention '10.

- My display will be planned to let the origami have space. I know that the plinths (paper pedestals) are wearing out and limited, so I will bring my own supports for my models.
- Each model will have a label with its title and creator. The folder's name will be on the table.
- I will plan my own display.

Exhibition reservation will be for:

- 1/2 table (30" x 36") 1/4 table (30" x 18")
- _____ Shelves on the paper wall. Each shelf is approximately 8" x 8".
- Floor or other space. Describe: _____

What kind of origami will you be displaying (e.g., animals, boxes, units, tessellations, various)? Describe: _____

Origami can be set up between 5 and 7pm Friday and ***must be taken down between 5 and 6pm Sunday.***

Exhibition by non-attending members must be facilitated by an attending member, who will be responsible to bring, set-up, pick-up and return the models.

Exhibitors must volunteer at least one hour to help monitor the Exhibition Area. Please complete the Volunteering Form and return it with your Exhibition Form. Your time will be assigned when you set your exhibit up.
